

Camellia Youth Shoot Big Success

Sacramento Camellia Classic Youth Shoot event continues to grow with 30 teams of youth/adults entering this year's event. The youth/adult event was held Sunday morning, February 18 at the Red Lion Hotel prior to the 501 doubles events and had two age groups, 7-12 and 13-18.

This event is one of the most popular events in the Camellia with kids and adults (mostly parents) from northern California teaming up for fun and competition. The thirty team signup is an increase from last years 26 teams and was easily accommodated at the new Camellia venue, the Red Lion Hotel.

Tyler Burnett teamed with Sammy Cruz to win the single elimination 501 tourney in the 7-12 age bracket. Nick Compton (second in the Youth Nationals last August) teamed with Scotty Burnett to take the crown in the 13-18-old group.
