

AMERICAN DARTS ORGANIZATION
Area 1 Manager's Report

August 4, 2016

American Darts Organization
Board of Directors

Dear Board of Directors,

Regional Directors

1-1 Phil Wheeler
1-2 Paul Campbell
1-3 Ron Peppers
1-4 Open
1-5 Open

RD's are doing a good job communicating with me, particularly Paul C. and Ron P.

RD's still need clarification on expense reports. Per David H.'s 5/17 email, they will send the reports to Katie H. and Jeff I.. They are asking that the reimbursements please be more timely.

I am not aware of any outstanding monies owed by RD's for NQ's.

Associations and Tournaments

The number of Associations renewing their ADO Membership remains stable. I have been told by several ADO Reps. and league President's that their Membership numbers are slowly starting to climb again. A new ADO Member Association formed in Santa Cruz.

The number of tournaments in Area 1 remains stable.

I am not aware of any outstanding monies owed by Associations and/or Tournament Directors.

BDO & WDF Point Rankings – Once again this year the Camellia Classic DOES NOT want to be a BDO point ranked event, but DOES want to be considered for WDF point ranking for the Youth shoot only.

Sincerely,

Steve Moore
ADO Area 1 Manager
