DartConnect Needs Your Help to Capture the Entire Finals Competition

Bring a tablet and help us score every National Finals Match

The American Darts Organization & DartConnect are trying to capture every match played by the USA's finest players **but we need your help!**

If you have one or more Tablet computers, please bring your tablet to DartConnect as early as you can so that we can set it up for use for ADO matches. We will provide a hanger if needed and ensure your tablet is returned to you at the end of the event.

Volunteer scorekeepers will be given a brief training session on how to easily keep score with DartConnect and many players in attendance are already seasoned users.

Any questions, please contact Gregg Tong - gregg.t@dartconnect.com

Tablets can be any Apple iPad or Android tablet minimum 7" screen, 10" + preferred.

Be sure to check out the leaderboard and track your performance.
