

BARBADOS®

THE HARROWS BARBADOS DARTS FESTIVAL

5 - 15 November 2017

The chance to enjoy the holiday of a life time in one of the most sought after Caribbean island destinations in the world, play tournament and social darts with others who share the same love of the game – and bring back a store of memories that will last a lifetime!

The Festival caters for darts players of all standards, both male and female, and their family and friends who may wish to come along just as supporters to enjoy all that Barbados is justly famous for and to join in the varied list of optional excursions and activities.

The social darts events take place at a The Sporting Pig in St Lawrence Gap, a short walk from your hotel, and the major tournaments, with cash prizes, will be staged at the well appointed, air conditioned Solidarity House over the weekend of November 10 - 12. Participants will be transported to and from here by bus.

The Festival Director wants to ensure that it retains the character that has made it so popular – namely a **Darts Festival** that caters for all, rather than a darts tournament dominated by the few. It is about enjoying all that Barbados has to offer and meeting new friends in darts rather than focusing entirely on winning tournaments.

Your accommodation in the popular St Lawrence Gap is just yards away from, on one side, the clear, warm, azure blue ocean and, on the other, a host of restaurants, bars, night clubs, and shops – all within easy walking distance.

Hotel rooms to suit all tastes and budgets in our HQ hotels are available from c.\$53 US per person per night (2 sharing) with one option to include continental breakfast and taxes for \$58 US per person per night (2 sharing). The fee for full participation in all the events at the Festival is \$120 US per person and \$60 US per person as social members.
