

ADO 2026 Ranking System

The new ADO Ranking System introduces a standardized ranking points system for ADO events, anchored to individual event payout. The system ensures fairness, scalability, and transparency by indexing ranking points to prize money.

Core Formula

For each singles event (Open & Women) where P=the payout of that singles event in USD:

- Winner (1): $P \times 0.10$
- Runner-up (2): $P \times 0.08$
- Semifinalists (4): $P \times 0.06$
- Quarterfinalists (8): $P \times 0.04$
- Rd-of-16 losers (16): $P \times 0.02$
- Rd-of-32 losers (32): $P \times 0.01$
- Rd-of-64 losers (64): $P \times 0.005$

Number of positions eligible for points

Event Payout	>=128 entries	64-127 entries	32-63 entries	16-31 entries	8-15 entries	4-7 entries	2-3 entries
>=\$5000	64	32	16	8	4	2	1
\$2000-\$4999	32	32	16	8	4	2	1
\$1000-\$1999	16	16	16	8	4	2	1
\$500-\$999	8	8	8	8	4	2	1
<=\$499	4	4	4	4	4	2	1

National Qualifier points (Updated February 2026)

Place	Points
Winners/Qualifiers	75
1st non-qualifier	60
2nd non-qualifier	50
3rd non-qualifier	40
Rest of field	30

Nationals points

- Nationals points will be awarded as a tournament based on a \$10,000 (Open) /\$5000 (Women) payout.

Event points limit

- Each player will only be able to count their 15 best points performances over the 52 week period toward their ranking.
